

A Walk Through PhilaU

SGA & HSA

What is it?

A walk through PhilaU will provide students, faculty, and staff the opportunity to express what PhilaU truly means to them in a variety of mediums. We are encouraging the community to create powerful pieces that truly express in their own way what it means to be a Ram and why we are so proud of who we are.

Why?

It is important that students, faculty and staff reflect on their journey at PhilaU. This university has provided wonderful opportunities and memories and it is a great time to express it.

We believe that in the midst of this merge, it is important that we recognize, remember, and continue to be who we are and show what makes the PhilaU community such a strong unit.

When?

Official “reveal” sometime mid Spring.

Attendees: authors of submissions, involved administration, and faculty/staff of PhilaU and TJU

The gallery will be up for a week or two in KPS after the reveal.

Submissions are being accepted now and can be sent electronically (in JPEG or PDF version) to sga@philau.edu or honorsphilau@gmail.com

What We Hope To Gain

We hope that this project will enable students and faculty/staff alike to gain a greater appreciation for the people and resources that PhilaU has to offer.

We also hope that a “Walk Through PhilaU” will empower the PhilaU community to come together and value each individual’s opinions as we begin the integration process with TJU.
