Conduct & Integrity

Membership is drawn from the full committee on an as needed basis.

Student Experience Committee Charges

Student Engagement

- Hear concerns and issues brought to the Committee by graduate and undergraduate students (including CPS) and brings in appropriate departments when needed to respond.
- Initiate research into the academic performance, remedial placement rates and probation and dismissal rates for the undergraduate student body, and report on these annually to the faculty.

Conduct & Integrity

- Set policies and procedures for issues regarding academic integrity and conduct.
- Address specific academic integrity cases via hearings.
- Create and review/revise procedures for addressing Academic Integrity infringements and record keeping.

Academic Policy

- Review and make recommendations for approval to the University faculty for changes to policies and procedures concerning academic progress toward fulfillment of each undergraduate and graduate student's degree requirements.
- Review and recommend criteria for undergraduate and graduate scholastic probation, terminal probation and dismissal of students who have not demonstrated reasonable progress toward fulfillment of their degree requirements.
- Schedule and conduct hearings regarding academic dismissal and readmission appeals.
- Review and make proposals addressing compliance with relevant federal and state guidelines for higher education.
- Review and make recommendations for approval to the University faculty and Provost Office for changes to policies and procedures concerning the hearing of appeals from undergraduate and graduate students dismissed from the University for not demonstrating reasonable progress toward fulfillment of their degree requirements.
- And on and on and on.....

Student Experience 2014-2015 Agenda Items

Student Engagement
