Faculty Awards

September 2018

Faculty Awards Program

Goals:

- Honor Center City's and East Falls' traditions of celebrating faculty achievement.
- Create programs that support faculty development and encourage faculty to achieve satisfying and productive careers as teachers, researchers, scholars, clinicians, practitioners, and campus citizens.
 - Connect the University's mission and values in teaching/education, research/scholarship/creative work, and citizenship/service to a robust slate of faculty awards.
- Promote a culture of recognition of accomplishments, contributions, and collaborations.
- Support the University's goals of recruiting, developing, and retaining an excellent faculty body.
