

SIS Integration Updates

Jan Mellon, Kris Peluszak, Jeff Cepull, Bill Harris

Course Coding

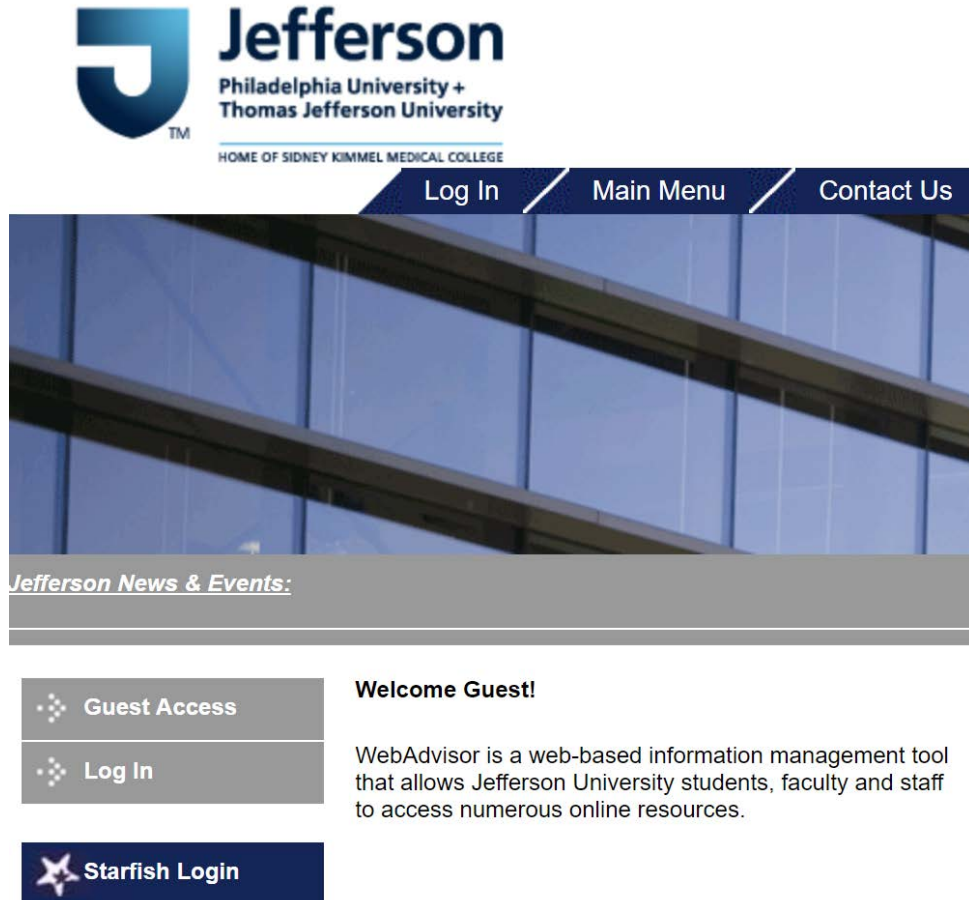

- Scope of courses migrated
 - 1838 courses were migrated
 - 606 (33%) had changes of some type
- Types of changes:
 - Subject codes more than 4 characters
 - Example: Behavioral Sciences went from BEHLT to BHLT
 - Subject codes merged due to Ellucian recommendation
 - Example: MCM merged into CMGT
 - Course numbers more than 5 characters
 - Example: BIOL 202ACC is now BIOL 202AC
- Subject codes at the graduate level that distinguished delivery method
 - Example: IMBA 600 and IMBAX 600
- Course overlaps with same subject code and course number existing in Colleague and Banner
 - Example: MATH 102
- Colleague to Banner Course Crosswalk
 - Where you will be able to enter Colleague subject code and course number to see the subject code and course number in Banner

Project Update

Cutover – Class Schedules & Grading

- **Summer 2019** – finish in WebAdvisor and Colleague
 - All rosters, class schedules, and grades available
 - **July 1** – Summer students must log into BannerWeb/Touchnet to make payments and receive refunds
- **Fall 2019** –transition to BannerWeb begins **June 23**
 - WebAdvisor will not reflect updates relating to fall term
 - Faculty and students can log into BannerWeb to view schedules and request changes with Registrar
 - **July 18** – Add/drop for students reopens in BannerWeb for self-service changes to Fall 2019 class schedule

WebAdvisor → BannerWeb (campus key required)

The screenshot shows the WebAdvisor homepage. At the top left is the Jefferson logo with the text "Jefferson Philadelphia University + Thomas Jefferson University" and "HOME OF SIDNEY KIMMEL MEDICAL COLLEGE". To the right of the logo is a navigation bar with "Log In", "Main Menu", and "Contact Us". Below the navigation bar is a large image of a building facade. Underneath the image is a section titled "Jefferson News & Events:". At the bottom left, there are three buttons: "Guest Access", "Log In", and "Starfish Login". To the right of these buttons is a "Welcome Guest!" message and a paragraph of text: "WebAdvisor is a web-based information management tool that allows Jefferson University students, faculty and staff to access numerous online resources."

The BannerWeb homepage header features the Jefferson logo and text "Jefferson Philadelphia University + Thomas Jefferson University" and "HOME OF SIDNEY KIMMEL MEDICAL COLLEGE". Below the logo is the text "HELP EXIT".
