The Academic Success Center is excited to be working with you this semester! We are here to help, whether it’s for time management and study skills, through peer and professional tutoring for Math, Science, Design, or any undergraduate course, or even with getting feedback on your writing for any course. In addition, we also house First-Year and Transfer Advising.

First Year and Transfer Advising Important Dates:
The last day to DROP a class without the withdraw penalty is Thursday, September 3rd. You can find your first-year advisor in DegreeWorks. Please contact your advisor to discuss any schedule changes or any academic concerns.

General Tutoring Information and Updates for Fall 2020:
All tutoring is online this semester.

Students can schedule Zoom Writing, Math, Science, Design, and other Subject tutoring, as well as time management and study skills tutoring.
To make an appointment for a Zoom tutoring session, schedule it through Starfish or email TJU_EF_Tutoring@Jefferson.edu for help.

Professional Writing Tutoring:
Professional Writing tutoring is offered through Zoom or as an asynchronous appointment where students get comments returned to them within two business days, (Monday through Friday).

For the asynchronous option, email the paper and assignment description or rubric to TJU_EF_Tutoring@Jefferson.edu.

For tips on deciding between Zoom and asynchronous appointments, please email Lauren at Lauren-Elise.Kadel@Jefferson.edu or consult the Writing Assistance portion of our website.

ESL Writing and Language Tutoring:
We feature specialized writing and language support of English-language learners across all majors, disciplines, and levels through our ESL Consultant, Margot Kent, and for nonacademic conversation practice, though our peer tutor, Nicoletta.

Math Tutoring:
Math tutoring is offered with the Assistant Director for Math Services, Ellen Knapp, and with our peer tutor, Shelby. To make an appointment, either sign up on Starfish, or email Ellen at Ellen.Knapp@Jefferson.edu.

We are also holding drop-in tutoring through zoom conferencing on Tuesday and Thursday from 12:30 to 2. The zoom link is https://Jefferson.zoom.us/j/98664441972. No appointment is necessary. You do not have to stay for the whole session—just drop in and leave as needed. If many students attend, they will be sent to break-out rooms by course.

We are also holding review session for Calculus I students on Wednesdays from 11 to 12. (Zoom link https://Jefferson.zoom.us/j/92288420842) and on Fridays from 3 to 4. (Zoom link https://Jefferson.zoom.us/j/99867293565)

Tutoring in Other Subjects:
Consult our list of tutors on our website and contact Melissa at Melissa.Gohn@Jefferson.edu with questions or if the course is not listed.

Time Management and Study Skills:
In addition to one-on-one Zoom appointments, virtual workshops on popular topics are available on our website.
