**Important Information**

The academic calendar for Fall 2019 has been modified for midterm grades and the last day to withdraw from a course. Students will be able to view midterm grades beginning on **Monday, October 14, 2019** at 10:00 am. Instructions on how to view midterm grades are on the East Falls Registrar's Office website.

The last day to withdraw from a full term (15-week) course at East Falls (that began prior to Labor Day) is extended to **Thursday, October 24, 2019**. Students cannot withdraw from a course in BannerWeb. Please see your first-year advisor to discuss and complete the Course Withdrawal Form.

- **Pre-registration for Spring:** **End of October**
- **Drop-in Math Tutoring with Ellen Knapp in Downs 2 from 12:30–2pm every Tuesday and Thursday**

**Advisor Profile: Dr. Tom Twardowski**

"Find faculty members that are doing things that interest you. Ask to interview them about what they do. If they’ll let you, volunteer to help them with their research. The greatest value you can get from a university is the opportunity to apprentice with someone brilliant, doing fascinating work.” [Learn More](#)

**Professional Tutor Profile: Scott Lasley**

"So many people get hung up on having to write something down, because they don’t know where to start. The greatest barrier between start and finish is a person’s confidence. I enjoy helping people come to terms with the truth that their thoughts can make for some remarkable words.” [Learn More](#)

**Peer Tutor Profile: Madisyn Peoples**

"For physics, dedicating time and effort to develop study skills is just as important as completing the classwork, so students shouldn’t hesitate to reach out and ask for help gaining these skills!” [Learn More](#)
